

Volunteer THIS Year

Make a lifelong difference!

Abused or neglected children are in need of an advocate; the demand is serious and volunteers are wanted. CASA looks to recruit new advocates for the upcoming Spring 2010 class. The campaign kick-off will be on Wednesday, March 31st at the Coyote Street Fire Station 84, 10135 Coyote Street in Nevada City. **Are you ready to make a difference and Volunteer THIS year?** Get the answer -- and reserve your space -- by calling Child Advocates at (530) 265-9550. Reservations are required.

CASA's mission is to ensure that abused and neglected children are provided with every available opportunity to begin a journey into healthy, productive lives. By introducing caring, responsible adults trained as advocates into their lives, CASA helps break the cycle of abuse and neglect. By engaging trained volunteers, CASA empowers people in the community to place children's needs and well-being as a priority.

"Whatever time you have to devote to a child, it's more than that child has ever had. You don't need any special skills. It's all about caring and common sense."
